Minutes of the previous meeting

Minutes of the Parish meeting held on 18th July were signed as a true and correct record.

Matters arising

Regarding a site visit to Breedon Quarry, the Clerk reported that having received no response to a follow up email sent since the last meeting in July, he visited the quarry on September 10th and obtained the name of the new Quarry Manager to whom he has since spoken and a visit is scheduled for early November.

County & District Councillors' Reports

Since none of the above were in attendance, reliance was made on their monthly circulated reports'

Adoption of the new NKDC Code of Conduct.

This was adopted at the meeting.

Local Plan proposed sites for residential development.

2 sites have been earmarked for possible 'long term' development in the village, on Church field and on land to the west of Butt lane, totalling approx. 40 dwellings, in the revised Local Plan for Central Lincolnshire. However' these will be 'fall back' sites in case other sites in Parishes/Towns where residential development has been considered more likely, were ultimately rejected.

These sites have been 'debated' in detail, in house by North Kesteven DC clearly showing the 'downside' to pursuing them – such as a lack of infrastructure. So, it was decided that there was no need to submit the Parish's views on this item.

Village Xmas Party

The Village Hall Committee will be holding a Coffee morning & Xmas fayre close to Christmas Day and, as such, it was felt that it would be difficult to hold 2 events close together. Better to have another Party around the date of the King's Coronation in May was the feeling.
